Call for Papers

**III International Scientific and Practical Conference
“Multidimensional Translation: From Science to Arts”**

We are pleased to invite you to submit abstracts for papers at
III International Scientific and Practical Conference
“Multidimensional Translation: From Science to Arts”

Multidimensional Translation: From Science to Arts is a scientific and practical conference, operating at translation studies. The conference is addressed to all academics, practitioners and industry specialists who would like to learn about recent trends, present their latest work, and share their experiences in the field. The conference is also going to be an ideal place to establish business and research contacts, collaborations and new ventures.

Relevant topic areas of the conference include, but are not limited to:

- General Issues of Translation and Interpretation
- Specialised Translation
- Audiovisual Translation
- Technologies in Translation
- Teaching Translation and Interpreting
- Criteria for Translation Quality Assessment
- Teaching Foreign Languages
- Testing and Certificate of Attainment in Modern Languages.
- Mentoring in Translation
- The Mother Tongue and Translation

KEYNOTE SPEAKERS

JEREMY MUNDAY

Professor of Translation Studies at the University of Leeds, UK. He is also a qualified and experienced translator. He studied a BA in Modern Languages at the University of Cambridge, an MA in Applied Linguistics at Liverpool and a PhD in Translation Studies from the University of Bradford. He has taught translation and translation theory for over twenty years, first at the Universities of Bradford and Surrey and, since 2006, at the Centre for Translation Studies at Leeds.

The Evolution of Translation Studies and Its Application for Linguistics (Participation by remote connection)
