

# ALMA COLLEGE

## International Semester in Michigan, USA

Alma College is a nationally-recognized liberal arts college nestled in scenic mid-Michigan. Literally in the center of it all, we offer a unique and supportive learning environment for international students

At Alma, you will have the opportunity to chart your own academic journey, tailored to your interests and goals. Our close-knit community provides ample opportunities for experiential learning, personal growth, and professional development. We're here to nurture your learning and provide the support you need to transition to college and the United States. Through personal academic guidance and excellent programs, you'll find that opportunities are endless and success is inevitable.
