

„PROM – Short-Term Academic Exchange” Programme

The John Paul II Catholic University of Lublin invites scientific and didactic employees and PhD students of foreign universities to take part in the “PROM – Short-Term Academic Exchange” Programme.

ABOUT THE PROJECT

The programme “**PROM – Short-Term Academic Exchange**” is funded by the European Union under the project titled “Short-Term Academic Exchange as a Method to Improve the Quality of Education in Higher Education and Research Institutions” (Project No. FERS.01.05-IP.08-0218/23).

The objective of the Programme is to enhance the skills essential for research and teaching-research roles among academic staff and doctoral students from abroad, through short-term incoming academic exchange opportunities.
