INTRODUCTION

Topicality.....

Degree of Scientific Elaboration of the Problem

The author has put forward the following hypothesis

The goal of this thesis is

The stated goal of the research predetermined the *following objectives:*

- 1.
- 2.
- 3.

The object of the thesis:

The subject of the thesis:

Methods of the research.....

Restrictions and Limitations of the Research.....

Research Results.....

The practical value of the promotional paper.....

Time and Regional Frameworks of the Research.....

Propositions for Defence:

The presentation of the results of the research:.....

The structure of the thesis research is

Introduction.....

Chapter I

Chapter II.....

Chapter III.....
